

# OLIVE BRANCH SCHOOL PRESERVATION SOCIETY

Minutes of the meeting on January 15, 2008

Members of the select Olive Branch School “Round Building” Restoration Planning Committee (TLS Superintendent Dr. Jim Gay, Assistant Superintendent Matt Curtis, Bill Berry, Cyndie Gerken, James Leathley, and John Sipe) met on January 15, 2008 in the Tecumseh Local Board of Education office to further discuss items from the December 11, 2007 meeting. It was decided that the committee would attend the Board of Education meeting scheduled for February 12, 2008, to update the Board on the Committee’s progress on establishing by-laws, seeking 501(c) (3) status, developing a web site, and to recommend the hiring of a consultant to assist with the cumbersome application process of nominating Olive Branch to the National Register of Historic Places, at an estimated cost of \$5000.00.
