

## Olive Branch Pupils Use New Kiln

Olive Branch Elementary pupils are busy molding their clay into the trinkets and pottery pieces to be baked in the new kiln at the school. Permission was given by the School Board to Harlan Pendleton, Principal, for the complete in-

stallation of this kiln which has aroused a great deal of interest among the children, aside from the educational value of creative art.

Pictured (left to right), are Chris Vonderheide, Larry Lee, Paul Lyons, Jona Plantz, Vera

Cecil, Sylvia Tarbutton and their teacher, Mrs. Dorothy Zerkle, who also teaches the first grade.

Children from all the grades have had their turn making the plastic or clay objects to be baked.
