

Olive Branch School Preservation Society

The Olive Branch School Preservation Society (OBSPS) continues to work to preserve the old Olive Branch School that is located in front of the Tecumseh Local Bus Garage on State Route 40. The group completed an application to the Ohio Historical Society to have the building placed on the National Register of Historic Places. The application was approved by the Ohio Historical Society and Olive Branch should be placed on the National Historical Register in the next few months. The OBSPS has also completed application for tax-exempt (IRS 501(c)3) status. Once this status has been approved, the group will begin fundraising efforts for restoration of the old Olive Branch.

The OBSPS is also pursuing federal funds that may be available to the state of Ohio specifically for restoration projects. For more information about the Olive Branch School Preservation Society visit the TL schools website at www.tecumseh.k12.oh.us.
